Fiducia MGA

Fiducia MGA is a new company with innovative products and services. We are solving the problems we have seen in our industry and those which Brokers have consistently told us about. Fiducia MGA is backed 100% by leading Lloyd's syndicates which are evolving, growing and meeting the needs of their customers whilst protecting people, businesses and communities for over 300 years.

Our personnel are focussed, empowered and experienced. We are specialists in our products. Giving good quality and prompt service is at the heart of our business. We are accessible and available for you and your client's. In partnership with you we want to assist you to retain and secure long-term business.

The Policy

Fiducia MGA offer a suite of Engineering products for commercial customers, which are designed to suit businesses of all sizes. The policy is designed to easily and clearly extend to meet the needs of your customers.

The policy is competitive in both price and cover offered. We aim to deliver clear and accurate documentation.

Our experienced Underwriters appreciate the value in risk management and pricing from us will reflect the quality of the risk presented.

What does it cover?

The policy covers physical loss, destruction or damage to Contractors Plant (excluding Breakdown) – this may be large operated Plant such as Cranes and Excavators (on wheels or tracks) or non-operated plant comprising small equipment not requiring an operator - Portable Tools, Breakers, Generators, Mixers and the like. Whether you have large or small Items of Plant or are engaged in Construction, Civil Engineering, Plant-Hire or Groundworks we can structure the Policy to reflect the differing types and usage.

Claims and Risk Management

We recruit knowledgeable and specialist Underwriters and independent Risk Engineers who understand the risks and are available to discuss your needs. We will work with you and others to help manage the security of Plant as we understand the benefits and impact this has on premiums and cover. When Claims occur, you can be confident we will work with you to provide solutions, using experienced staff and/or Loss Adjusters.
