

Fiducia MGA

Fiducia MGA is a company with innovative products and services. We are solving the problems we have seen in our industry and those which Brokers have consistently told us about. Fiducia MGA is backed by leading Insurers.

Our personnel are focussed, empowered, and experienced. We are specialists in our products. Giving good quality and prompt service is at the heart of our business. We are accessible and available for you and your client.

The Policy

Fiducia MGA offer a suite of Engineering products which are designed to suit businesses of all sizes.

The policy is designed to easily and clearly extend to meet the needs of your customers.

The policy is competitive in both price and cover offered. We aim to deliver clear and accurate documentation.

Our experienced Underwriters appreciate the value in risk management and pricing from us will reflect the quality of the risk presented.

What does it cover

The Policy provides cover in respect of repair costs following physical loss, destruction or damage to machinery belonging to you or in your custody/control during the chosen operations. It is available on either an annual or short period basis to cater for a specific event.

Claims and risk management

We recruit knowledgeable and experienced Underwriters and independent Risk Engineers who understand the risks and are available to discuss your needs. When Claims occur, you can be confident we will work with you to provide solutions, using experienced staff and/or specialist Loss Adjusters.
